

MODEL	MLC
Product description	Single vehicle charger
Certification	e17*72/245*2006/28*0108*02
Input voltage	12 ... 24VDC
Charging temperature	0°C ... +40°C
Fast charge current	750mA
Trickle charge current	100mA
Enclosure	High impact Nylon/Aluminium
Weight	170 g
Dimensions	142 x 83 x 72 mm
Mounting	Wall mounted vertical or horizontal
Compatible product	ML-600, ML-601, ML-602, ML-808 ATEX
Charging time	2 h 30 min: ML-600, ML-808 ATEX 1 h 45 min: ML-601, ML-602
Charging features	Sophisticated charge and battery protection
Accessories	MICA IL-2 mains adapter MICA CR-13 power supply for max. 6 MLC chargers MICA CR-15 power supply for max. 10 MLC chargers MICA VAC-VDC changeover unit from car battery MICA cigarette lighter cable
